Week 6 Homework

Read: Chapter 7 of CSS and HTML Web Design

Chapters 1 and 4 of The Art & Science of CSS

Chapters 1 and 12 of Web Standard Solutions (if you have it)

Chapter 8 of Designing Without Tables by Rachel Andrew (available as pdf)

<http://www.coursestuff.co.uk/1046/Designing%20Without%20Tables%20sample%20chapters.pdf>

Add page style/structure to your design favourites website using the CSS techniques covered in this week's class. Also, practice some list styling to get a good understanding of how this works.

Compile a list of useful CSS design resources and add them to a new page on your personal website.
